Subject: REQUEST FOR IMMEDIATE LEAVE EXTENSION

Dear Aneesh sir,

Following the end of my maternity leave, I kindly request for more 15 working days of my annual leave to be granted to me effective immediately. Unfortunately the child care I arranged for my baby has let me down and I need extra time to arrange stable care and support for my baby before I can fully resume work.

I will stay actively involved in work but unable to resume physically as earlier planned. I kindly request to resume work on the 8TH JUNE.

Thank you for your kind consideration.

Best Regards,

Angela Nyinimuntu
